Parisotto+Formenton

The Clara collection (armchairs, chaise longues and sofas with tall legs) was created by the studio Parisotto+Formenton, combining a pursuit of charm and minimalism. Sinuous shapes and rounded lines embrace whoever sits down. Each piece features a beech plywood shell, non-deformable polyurethane padding and a steel base (laser-cut plate and four legs) for strength, durability and comfort. Upholstery and legs can be customized in colour. The distinctive feature is the asymmetrical backrest, blending classic inspiration with a contemporary tone, a valuable addition to any bedroom, living room or entrance hall.

La collezione Clara (poltrone, dormeuse e divani con piedini alti) nasce da un'idea dello studio Parisotto+Formenton, tra ricerca di fascino e minimalismo. Forme sinuose e linee arrotondate accolgono chi vi si siede. Ogni seduta ha scocca in multistrato di faggio, imbottitura in poliuretano indeformabile e base in acciaio (piatto laser-tagliato e quattro gambe), per resistenza, durata e comfort. Rivestimenti e piedini sono personalizzabili nei colori. Tratto distintivo è l'asimmetria dello schienale, che unisce ispirazione classica e tono contemporaneo, un'aggiunta preziosa per camera da letto, soggiorno o ingresso.

Clara

“We designed its striking asymmetry so it would stand out as the defining aesthetic feature of a piece of furniture inspired by classical design yet with a contemporary twist, intended to immediately convey an invitation to enjoy a comfortable, relaxed and informal seat amongst its curves.”

Aldo Parisotto (Monselice, 1962) graduated from IUAV Venice under James Stirling, and taught interior design in Trieste from 2001 to 2003. Massimo Formenton (Padova, 1964) also graduated from IUAV in 1989. Together they founded Parisotto+Formenton studio in Padova in 1990, with a Milan base added in 2004. Their work spans architecture (museums, commercial spaces and residential buildings, including the recent restoration of Milan's historical Ricordi palace) and 360° retail design for major fashion and luxury brands (Salvatore Ferragamo, Eleventy, Testoni, Vic Matié, among others). They are also behind the Nespresso boutique concepts worldwide, alongside significant collaborations in lighting and furniture design.
