The installation procedure shown here refers to the following Blade products:

Il procedimento di installazione qui illustrato è riferito ai seguenti prodotti Blade:

La procédure d'installation présentée ici concerne les produits Blade suivants :

BL 140

BL 160

BL 145

## Components

Componenti | Éléments

## Step 1

Secure beam C to the two elements B through the 4 M5x12mm screws.

Fissare la trave C ai due elementi B tramite le 4 viti M5x12mm.

Fixez la poutre C aux deux éléments B avec les 4 vis M5x12mm.

true

## Step 2

Repeat the procedure of step 1 securing beam D to the two elements B through the 4 M5x12mm screws.

Ripetere il procedimento dello step 1 fissando la trave D ai due elementi B tramite le 4 viti M5x12mm.

Répétez la procédure de l'étape 1 et fixez la poutre D aux deux éléments B avec les 4 vis M5x12mm.

true

### Step 3

Secure the other 2 available elements B to the opposite ends of beams C and D through the 8 M5x12mm screws.

Fissare gli altri 2 elementi B a disposizione alle estremità opposte delle travi C e D tramite le 8 viti M5x12mm.

Fixez les 2 autres éléments B disponibles aux extrémités opposées des poutres C et D avec les 8 vis M5x12mm.

true

## Step 4

Turn the structure upside down and place shelf A on the top.

Capovolgere la struttura e poggiarvi sopra il ripiano A.  
Retournez la structure et placez le plateau A sur le dessus.

true

## Step 5

Secure shelf A to the structure through the 12 M5x35 mm supplied screws.

Fissare il piano A alla struttura tramite le 12 viti M5x55 mm in dotazione.

Fixez le plateau A à la structure avec les 12 vis M5x55 mm fournies.

true

## Step 6

Screw the feet of each leg up to the preferred height to ensure stability on the floor.

Avvitare i piedini di ogni gamba fino all'altezza desiderata al fine di garantirgli stabilità al pavimento.

Vissez les pieds de chaque jambe à la hauteur souhaitée pour assurer la stabilité au sol.

## Care and Maintenance

In order to keep the product in good condition for as long as possible, we recommend that you do not lean on the edges of the surfaces or use the table tops as seats. The table tops should not be used as a base to retrieve objects that are placed on top. We recommend to use two or more people to move the table to new positions, taking care not to drag it along the floor but to lift it from the ground. For daily cleaning, avoid abrasive sponges and always use a microfibre cloth soaked only in a neutral, non-abrasive detergent without additives. In the event of minor scratches, apply beeswax. To clean the steel legs, use a cloth soaked in warm water and neutral detergent and wipe thoroughly.

## Cura e Manutenzione

Al fine di mantenere in buone condizioni il prodotto più a lungo possibile, sconsigliamo di appoggiarsi sui bordi delle superfici e di non utilizzare i piani dei tavoli come sedute. Gli stessi piani poi non vanno impiegati come base d'appoggio per recuperare oggetti situati in alto. Raccomandiamo di servirsi di due o più persone per ricollocare il tavolo in nuove posizioni, avendo cura di non trascinare lungo il pavimento bensì di sollevarlo da terra. Per la pulizia quotidiana, evitare spugne abrasive e utilizzare sempre un panno in microfibra imbevuto esclusivamente con un detergente neutro, non abrasivo e senza additivi. In caso di graffi lievi, applicarvi la cera d'api. Per pulire la gambe in acciaio, servirsi di un panno bagnato con acqua calda e detergente neutro, strofinando a fondo.

## Entretien et Maintenance

Afin de conserver le produit en bon état le plus longtemps possible, nous vous recommandons de ne pas vous appuyer sur les bords des surfaces ni d'utiliser les plateaux de la table comme sièges. Les plateaux de la table ne doivent pas être utilisés comme base pour récupérer des objets qui sont placés au-dessus. Nous recommandons d'utiliser deux personnes ou plus pour déplacer la table vers de nouvelles positions, en prenant soin de ne pas la traîner sur le sol mais de la soulever du sol. Pour le nettoyage quotidien, évitez les éponges abrasives et utilisez toujours un chiffon en microfibre imbibé uniquement d'un détergent neutre, non abrasif et sans additifs. En cas de petites rayures, appliquez de la cire d'abeille. Pour nettoyer les pieds en acier, utilisez un chiffon imbibé d'eau chaude et de détergent neutre en frottant en profondeur.
