Introduction

Oscar is an irregularly shaped and versatile sofa by Parisotto+Formenton Architetti, available in several configurations and sizes. Its steel and birch plywood structure, combined with polyurethane foam padding, creates soft, curved forms and exceptional comfort. Dynamic and adaptable, it fits both corners and spacious environments, balancing rigorous geometry with softness and relaxation.

Oscar è un divano dalle forme irregolari e versatili, progettato da Parisotto+Formenton Architetti, disponibile in diverse configurazioni e dimensioni. La struttura in acciaio e multistrato di betulla, combinata con un'imbottitura in poliuretano espanso, crea forme morbide e sinuose, garantendo un comfort eccezionale. Dinamico e adattabile, si inserisce tanto negli angoli quanto negli ambienti più ampi, combinando rigore geometrico, morbidezza e comfort.

Oscar

“Oscar is a soft seating lounge collection composed of pieces of varying proportions and ergonomic designs: characterised by the asymmetrical and dynamic shape of the seats, it provides comfort and a sense of lightness thanks to the system of legs positioned outside the upholstered sections, which are thus suspended and appear visually lighter.”

Aldo Parisotto (Monselice, 1962) graduated from IUAV Venice under James Stirling, and taught interior design in Trieste from 2001 to 2003. Massimo Formenton (Padova, 1964) also graduated from IUAV in 1989. Together they founded Parisotto+Formenton studio in Padova in 1990, with a Milan base added in 2004. Their work spans architecture (museums, commercial spaces and residential buildings, including the recent restoration of Milan's historical Ricordi palace) and 360° retail design for major fashion and luxury brands (Salvatore Ferragamo, Eleventy, Testoni, Vic Matié, among others). They are also behind the Nespresso boutique concepts worldwide, alongside significant collaborations in lighting and furniture design.
