Fender Coffee

Favaretto & Partners

Fender Coffee completes the Fender family with character and versatility. Easy to move and designed for everyday use, it combines a large 12 mm MDF top with a central steel knob that doubles as a practical handle and distinctive design detail. The circular steel tube legs provide stability and visual lightness, while its playful and contemporary character allows it to fit naturally into living spaces, lounges, hospitality settings, and work environments. Available in the colors of the Fender Collection and the capsule collection, Fender Coffee is designed to integrate, adapt, and surprise.

Fender Coffee completa la famiglia Fender con carattere e versatilità. Facile da spostare e pensato per l'uso quotidiano, combina un ampio piano in MDF da 12 mm con un pomello centrale in acciaio che funge da pratica maniglia e distintivo dettaglio di design. Le gambe in tubo d'acciaio a sezione circolare garantiscono stabilità e leggerezza visiva, mentre il suo carattere giocoso e contemporaneo gli permette di inserirsi con naturalezza in living, lounge, spazi hospitality e ambienti di lavoro. Disponibile nei colori della Fender Collection e della capsule collection, Fender Coffee è pensato per integrarsi, adattarsi e sorprendere.

“An iconic collection, in the right place at the right time. A project that has accompanied True’s growth and brand identity in the market and, at the same time, has marked an important milestone in my journey and in what we have been building together, right from the very beginning.”

Favaretto & Partners is an Italian design studio specializing in industrial design and product development for the contract sector. The studio combines creative research with industrial expertise, delivering solutions that integrate functionality, innovation, and production efficiency. Their work is characterized by formal clarity, ergonomic attention, and a strong focus on usability, resulting in products that are both accessible and distinctive.
