Introduction

The Ahkka lounge chairs, designed by the Swedish studio Claesson Koivisto Rune, stand out for their soft, minimalist design, characterized by gentle curves and rounded forms. Inspired by the glacial landscapes of the North, it combines sculptural aesthetics with ergonomic comfort. Ideal for lounge areas, reception spaces, and hospitality environments, it features an elegant and enveloping presence, capable of enhancing contemporary and contract settings.

Le poltrone lounge Ahkka, progettate dallo studio svedese Claesson Koivisto Rune, si distinguono per un linguaggio morbido ed essenziale, caratterizzato da curve leggere e volumi arrotondati. Ispirata ai paesaggi glaciali del Nord, unisce estetica scultorea e comfort ergonomico. Ideale per spazi lounge, reception e ambienti hospitality, si caratterizza per una presenza elegante e avvolgente, capace di valorizzare contesti contemporanei e contract.

Claesson Koivisto Rune

“Soft, sculptural volumes inspired by natural landscapes, designed to gently embrace and support the body.”

Claesson Koivisto Rune is a Stockholm-based design and architecture studio founded in 1995. Working across architecture, interiors, and product design, the studio is recognized for its refined and conceptual approach. Their work is rooted in Scandinavian sensibility, where minimalism, material awareness, and formal precision come together to create coherent and timeless design solutions with strong architectural value.
