

A large, abstract, three-dimensional red geometric shape, possibly a stylized letter 'F' or a modern architectural element, is positioned on the right side of the image. It has rounded edges and a smooth finish, casting a soft shadow on the white background.

Introduction

The Fiocco collection is a family of designer side tables created by Favaretto & Partners for True Design. The design stems from a simple, universal gesture: tying a package with a ribbon to form a bow. From this everyday action emerges a design concept that has been transformed into a contemporary side table with a minimalist and elegant aesthetic.

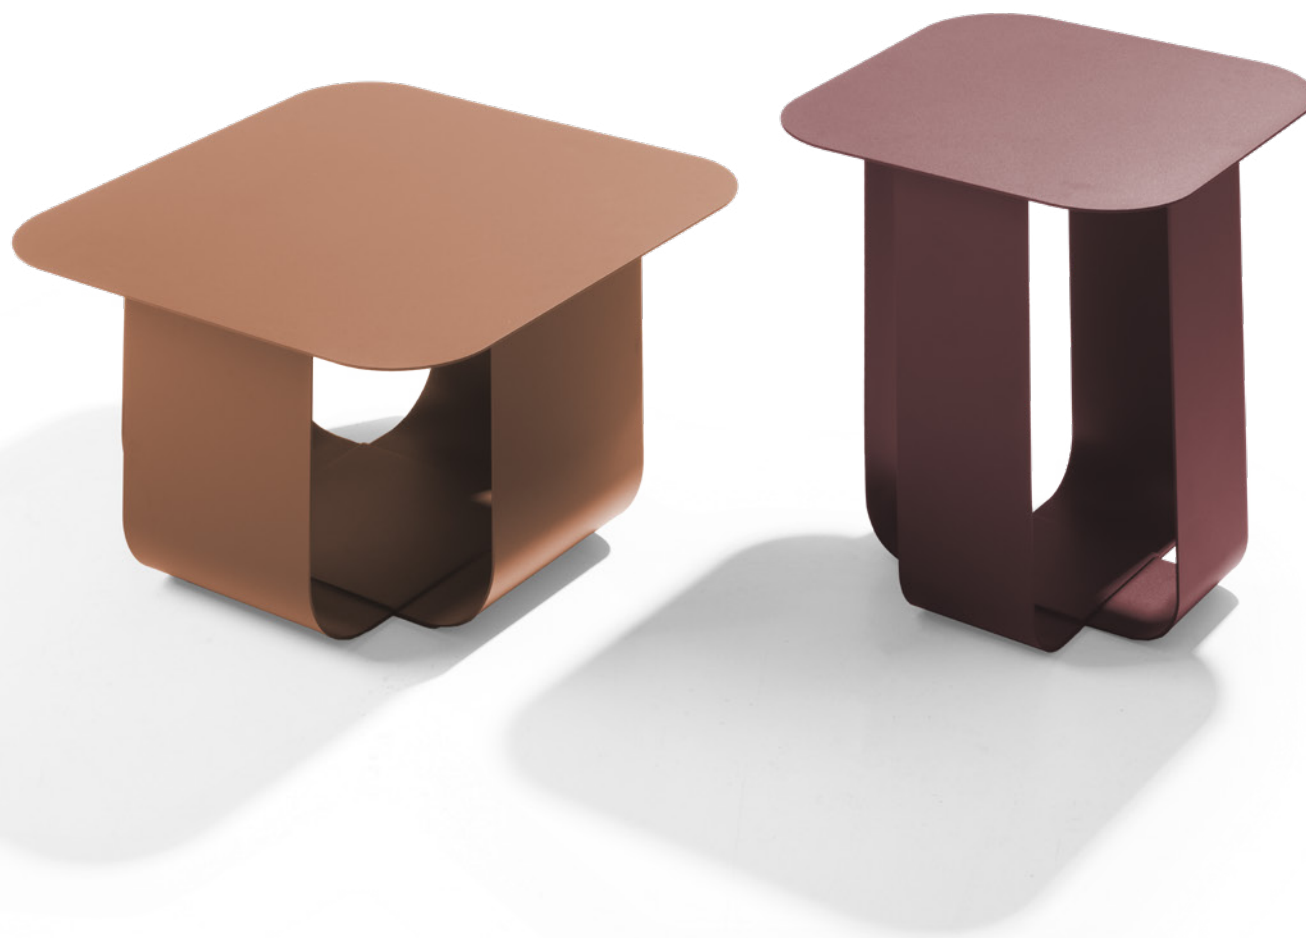

La collezione Fiocco è una famiglia di tavolini di design firmata da Favaretto & Partners per True Design. Il progetto nasce da un gesto semplice e universale: legare un pacchetto con un nastro fino a formare un fiocco. Da questa azione quotidiana prende forma un'idea progettuale capace di trasformarsi in un tavolino contemporaneo dal carattere essenziale ed elegante.

Favaretto & Partners

“The inspiration came from a gesture as simple as it is iconic: just like a ribbon wrapped around a present, the two overlapping ends become the distinctive feature around which this collection is built.”

Favaretto & Partners is an Italian design studio specializing in industrial design and product development for the contract sector. The studio combines creative research with industrial expertise, delivering solutions that integrate functionality, innovation, and production efficiency. Their work is characterized by formal clarity, ergonomic attention, and a strong focus on usability, resulting in products that are both accessible and distinctive.
