### Step 3

Unwind the electric cable and connect it to a power outlet.

Srotolare il cavo elettrico e collegarlo a una presa di corrente.  
Déroulez le câble électrique et branchez-le à une prise de courant.

Make sure to slide the cable into the slot of the shelf A.

Avere cura di far scorrere il cavo nell'apposita fessura del ripiano A.  
Veillez à faire glisser le câble dans la fente de la tablette A.

## Step 5

Insert Hella by means of the four wall hooks aligned with the screw heads and fit it over them in a vertical downward movement.

Inserire Hella mediante i quattro agganci a muro allineati alle teste delle viti e incastrarla sopra di esse compiendo un movimento verticale verso il basso.

Insérer Hella au moyen des quatre crochets muraux alignés avec les têtes de vis et l'emboîter sur ceux-ci dans un mouvement vertical vers le bas.

## Care and Maintenance

Do not lean or sit on the shelf or use it as a footrest. Take care not to put too much weight on Hella and remove all objects before the cleaning routine, using only a microfiber cloth dampened with lukewarm water and a neutral, non-abrasive detergent without additives. It is recommended to always clean in the direction of the wood grain in order for it to maintain its natural beauty and to leave it dust-free regularly. In case of water drops, dry promptly with an absorbent cloth.

### Cura e Manutenzione

Non appoggiarsi nè sedersi sul ripiano nè tantomeno utilizzarlo come poggiatesta. Avere cura di non caricare sopra Hella del peso eccessivo e rimuovere tutti gli oggetti prima di procedere alla pulizia ordinaria, utilizzando esclusivamente di un panno in microfibra inumidito con acqua tiepida e detergente neutro, non abrasivo e senza additivi. Si raccomanda di pulire sempre nel verso della grana del legno per fargli mantenere la sua naturale bellezza e di lasciare libero da polveri regolarmente. In caso di gocce d'acqua, asciugare tempestivamente con un panno assorbente.

### Entretien et Maintenance

Ne vous appuyez pas, ne vous asseyez pas sur la tablette et ne l'utilisez pas comme repose-pieds. Veillez à ne pas mettre trop de poids sur Hella et retirez tous les objets avant le nettoyage quotidien en utilisant uniquement un chiffon en microfibre humidifié avec de l'eau tiède et un détergent neutre et non abrasif sans additifs. Il est recommandé de toujours nettoyer dans le sens du grain du bois afin qu'il conserve sa beauté naturelle et de le laisser régulièrement exempt de poussière. En cas de gouttes d'eau, séchez rapidement avec un chiffon absorbant.
